# Steinway Grand Club of the Wildish Community Theater

You are invited to Sponsor a Key

This 1995 Grand Piano was presented by Steinway to renowned concert pianist John Bayless, a Steinway Artist. He now needs a smaller piano in his Seattle home. This provided a wonderful and unique opportunity for the Wildish Theater.

Henry Z. Steinway signed the Piano as it was presented to Bayless. The piano is also signed by John Bayless himself. Both are collector's items!

After 12 years of playing by Mr. Bayless, the Steinway is well broken in and ready for use by performers.

The Wildish Theater is being well used with 58 nights booked through June. In addition to daily use by Springfield High's Academy of Arts and Academics, over 2800 people attended events during February.

But 9 groups had to be turned away because the Theater had no piano!

Your key sponsorship -- added to the down payment by an anonymous donor -- will be a great service to the community.

Your name, the name of a loved one, or the name of your group will be added to the Wildish Theater's Steinway Grand Club honor roll.
